

# Community Leadership Partners

## MAKE A MEANINGFUL DIFFERENCE IN YOUR COMMUNITY

The Community Leadership Partners is a group of Hampton Roads philanthropists interested in solving community problems.

Your annual gift is pooled with other members' donations and granted to local nonprofits that you help choose, putting nearly \$1.9 million into action since 2010 to help area nonprofits help make change. Every year, the Partners learn about regional issues, choose a focus area, invite nonprofits to apply for grants, go on site visits, and recommend funding. You will also be invited to attend networking and educational programs throughout the year.

**"I want this community to do well regionally and be able to move forward. I enjoy seeing people doing well, helping children do better in school, getting people back to work and on their feet." - Becky Chalmers**

In 2018 the Partners granted \$225,000 to 17 organizations working to help middle-school students, high-school aged youth, or disconnected youth and young adults (ages 16-24 and not working, in school or serving in the military).
